

Clean Chrome Roller Dampening

Prisco

K-Supply

K-Supply Clean Chrome Roller Dampening is formulated as a heavy-duty cleaner and desensitizer for chrome dampening rollers.

Benefits

- Effectively restores water carrying capacity of the roller by removing the ink and oxidation.
- Prevents contamination with a protective, water receptive film.
- Permits better control of dampening.
- Safe to use.
- Will not damage chrome rollers in any way.

Directions

Apply Clean Chrome Roller Dampening liberally with a soft cloth to a dry chrome roller using a firm polishing stroke. Allow to dry and rinse.

Read MSDS before using this product.
