

Ink Remover

K-Supply

K-Supply Ink Remover is a rubber blanket detergent for cleaning, conserving and regenerating ink rollers and rubber blankets on conventional printing presses. This product, tried and tested at the Komori Graphic Center-Europe, has proven to be highly effective for all conventional printing presses.

Benefits

- High solvent power.
- Free of aromatic compounds.
- Easy to use.
- Water compatible.

Directions

Put K-Supply Ink Remover on a clean wash cloth and clean the rollers and/or rubber printing blankets.
